

The Amazing Woman Network

Scholarship Application **CHECKLIST** for Year 2021-2022
College Undergraduate or Technical School Studies

General Instructions to Applicants

1. Make a copy of the blank application and complete a draft copy first.
2. Complete the application Checklist and submit it with the Application and the additional applicable documents.
3. Return the typed or neatly printed application to The Amazing Woman Network at P.O. Box 28253, Detroit MI 48228.
The application must be postmarked no later than June 25th.

Please Submit the Following:

- Checklist
- Application
- Essay (See below for essay requirements)
- 3 Letters of recommendation. They can be written by any of the following: school teacher, school counselor, employer, organization for which you have volunteered or a mentor. Must be ink signed and dated. Must be on school or company letterhead with the exception of the letter from a mentor.
- High School Transcripts. No photocopies allowed. Must be ink signed and dated by school counselor.

Essay Requirements:

The essay should be 2 pages maximum, using 12-pt, Times New Roman font and state *“Why you should receive a scholarship”*, and must also answer the additional question(s) below, based on the scholarship for which you are applying.

Black Girls in Engineering (The Wallace A. McGee Scholarship) – *How do you plan to pique the interest of young Black girls in an effort to get them interested in engineering?*

Black Girls in Community Activism (The Nancy A. Norwood Scholarship) – *How have you impacted the Black community with your activism and what plans do you have to continue the impact?*

Black Girl Entrepreneur – (Must have a current business) – *Please include: your business name, it’s mission statement, products and services offering and where you would like to see your business in 5 years. Also, provide your website and social media, if applicable.*

Technical Black Girls (For post high school learning which does NOT include the traditional college program) – *What is your intended path and why did you decide that the traditional college/university path is not the direction you wish to pursue?*
